

2024 Duksung International Summer School provides an excellent opportunity for students to learn about Korea's language and culture. This year's theme is 'The Two Koreas,' focusing on the distinct yet intertwined paths of North and South Korea and the historical, cultural, and political developments of the Korean peninsula. The program consists of an academic credit course about the 'Two Koreas,' Korean language class, and cultural excursions. Students will be hosted at Duksung Women's University, located in the capital of Korea, Seoul, which will allow them to simultaneously explore the modern and dynamic city and the historical and traditional culture.
